

# Start SHINE at a Site Near You!

## STEP 1: Find your local SHINE Branch Director.

Emails for each SHINE Branch Director can be found on their individual webpages at [www.shineforgirls.org/findyourbranch](http://www.shineforgirls.org/findyourbranch).

## STEP 2: Contact us via email!

Please reach out to your Branch Director to let us know you are interested in creating a new SHINE site in your area.

## STEP 3: Receive approval from site administration.

School principals, community center directors, or dance studio owners can be an example of a site administrator.

## STEP 4: Determine dates and times for the program.

To see a description of our program formats, please see our website at [www.shineforgirls.org/programofferings](http://www.shineforgirls.org/programofferings).

## STEP 5: Recruit students and mentors for the program.

Utilize SHINE resources, such as flyers and email formats, to begin seamlessly running your SHINE For Girls site!

## STEP 6: Gather materials, and SHINE!

With the help of Branch and Regional Directors, you will be given necessary resources and materials to run your first SHINE program!
